

Then I heard the Lord asking, "Whom should I send as a messenger to this people? Who will go for us?" I said, "Here I am. Send me." Isaiah 6:8

Z'Orange Jerusalem Christian School

Thank you for supporting the students of Z'Orange. You are helping provide the opportunity for students to receive a Christian education. Without your support that may not be possible. Haiti is in great need of educated men and women who know and love Christ. The Great News is that with all that is going on around Haiti, our students and teachers are still at school! We feel blessed to know that there has been no disruption to their education. We have been able to keep in communication with the School Director Sanders.

The yearly sponsorship donation has increased by \$60 to help with the cost of inflation in Haiti. Currently, a yearly sponsorship donation is \$360 and can be made via check to TEM or PayPal. If you are using PayPal monthly or yearly drafts (and the drafts has been for \$25 per month or \$300 per year), you will need to log into your PayPal account and make the changes to reflect the \$60 increase (change the draft to \$30 monthly or \$360 per year). **If you have any questions, please contact Caroline Hooker**

THE PLIGHT OF HAITI

"We are hard pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed." - 2 Corinthians 4:8

Looking over the past year's events in Haiti, it is a wonder that the beautiful families do not feel crushed and abandoned by this world. There are so few media outlets covering the crisis – Haiti's people are suffering amid this crisis that the Haitian government has not resolved. With almost double-digit inflation and wide-spread government corruption, the country is running short of food and fuel. The people are protesting in the streets of Port au Prince daily for a new government and better living conditions. At times these protests are violent with clashes between the people and the police, especially in Port au Prince. And to make things worse, Gangs and Thugs have taken advantage of the crisis. They are disrupting life in Haiti with roadblocks everywhere — burning tires and automobiles — to stop people so they can extort money from the people. There have been weeks in the capital when government offices, schools, banks, and businesses have had to close because of the chaos. The Haitian police force has not been paid in months and they are out manned which further adds to the chaos and despair for the people.

Thankfully, our families in Z'Orange are not being subjected to the protests and violence that are happening around the country. **Our children at Z'Orange Jerusalem Christian School are still in school and the families are safe from the gangs.** Our biggest need now is food for the people in Z'Orange and continued support for our staff in Haiti. For Ginette, Simon, Pariton, Dodo and Pastor DeVey, their only income is from Truth Ministries. In the past year, we have had to cancel 9 teams. It is important that we continue to support our Mission in its time of greatest need. Please pray that the Lord will deliver our Haitian brothers and sisters and give them Peace and Hope.
